EXTERIOR

**CRAFTED WITH ELEGANCE,
DEFINED BY CONFIDENCE.**

The BMW i5 LWB combines graceful proportions, striking design details, and a purposeful stance to create a powerful expression of modern luxury and electric innovation.

ICONIC GLOW KIDNEY GRILLE.

Command attention with the Illuminated Kidney Grille that highlights the vehicle's contours, whether it is stationary or moving, particularly in the dark.

The Adaptive LED Headlights with matrix technology adapt automatically to every driving situation. The equipment also features cornering lights and daytime running lights.

M SPORT EXETRIOR PACKAGE.

Flowing seamlessly from the aerodynamic front design to the beautifully sculpted side panels, every line is meticulously crafted to evoke a sense of exclusivity, refinement, and enduring luxury.

The embossed "5" on the C pillar extends the legendary legacy of the 5 Series and redefines the iconic Hofmeister kink, symbolising a perfect blend of elegance and dynamism while creating a visually striking silhouette.

20" M ALLOY WHEELS.

The striking 20" M Alloy Wheels, featuring an intricate design and a mixed tyre configuration, give the BMW i5 Long Wheelbase a confident and commanding road presence. The wider rear tyres not only enhance the vehicle's sporty stance but also provide improved traction and road grip, contributing to greater stability, refined ride comfort, and assured driving confidence. Together, they deliver a perfect balance of expressive design and everyday luxury.

LUXURY AND COMFORT

REFINED LUXURY, ELEVATED COMFORT.

An immersive luxury retreat, crafted to deliver exceptional comfort, refined craftsmanship, and effortless relaxation for every occupant.

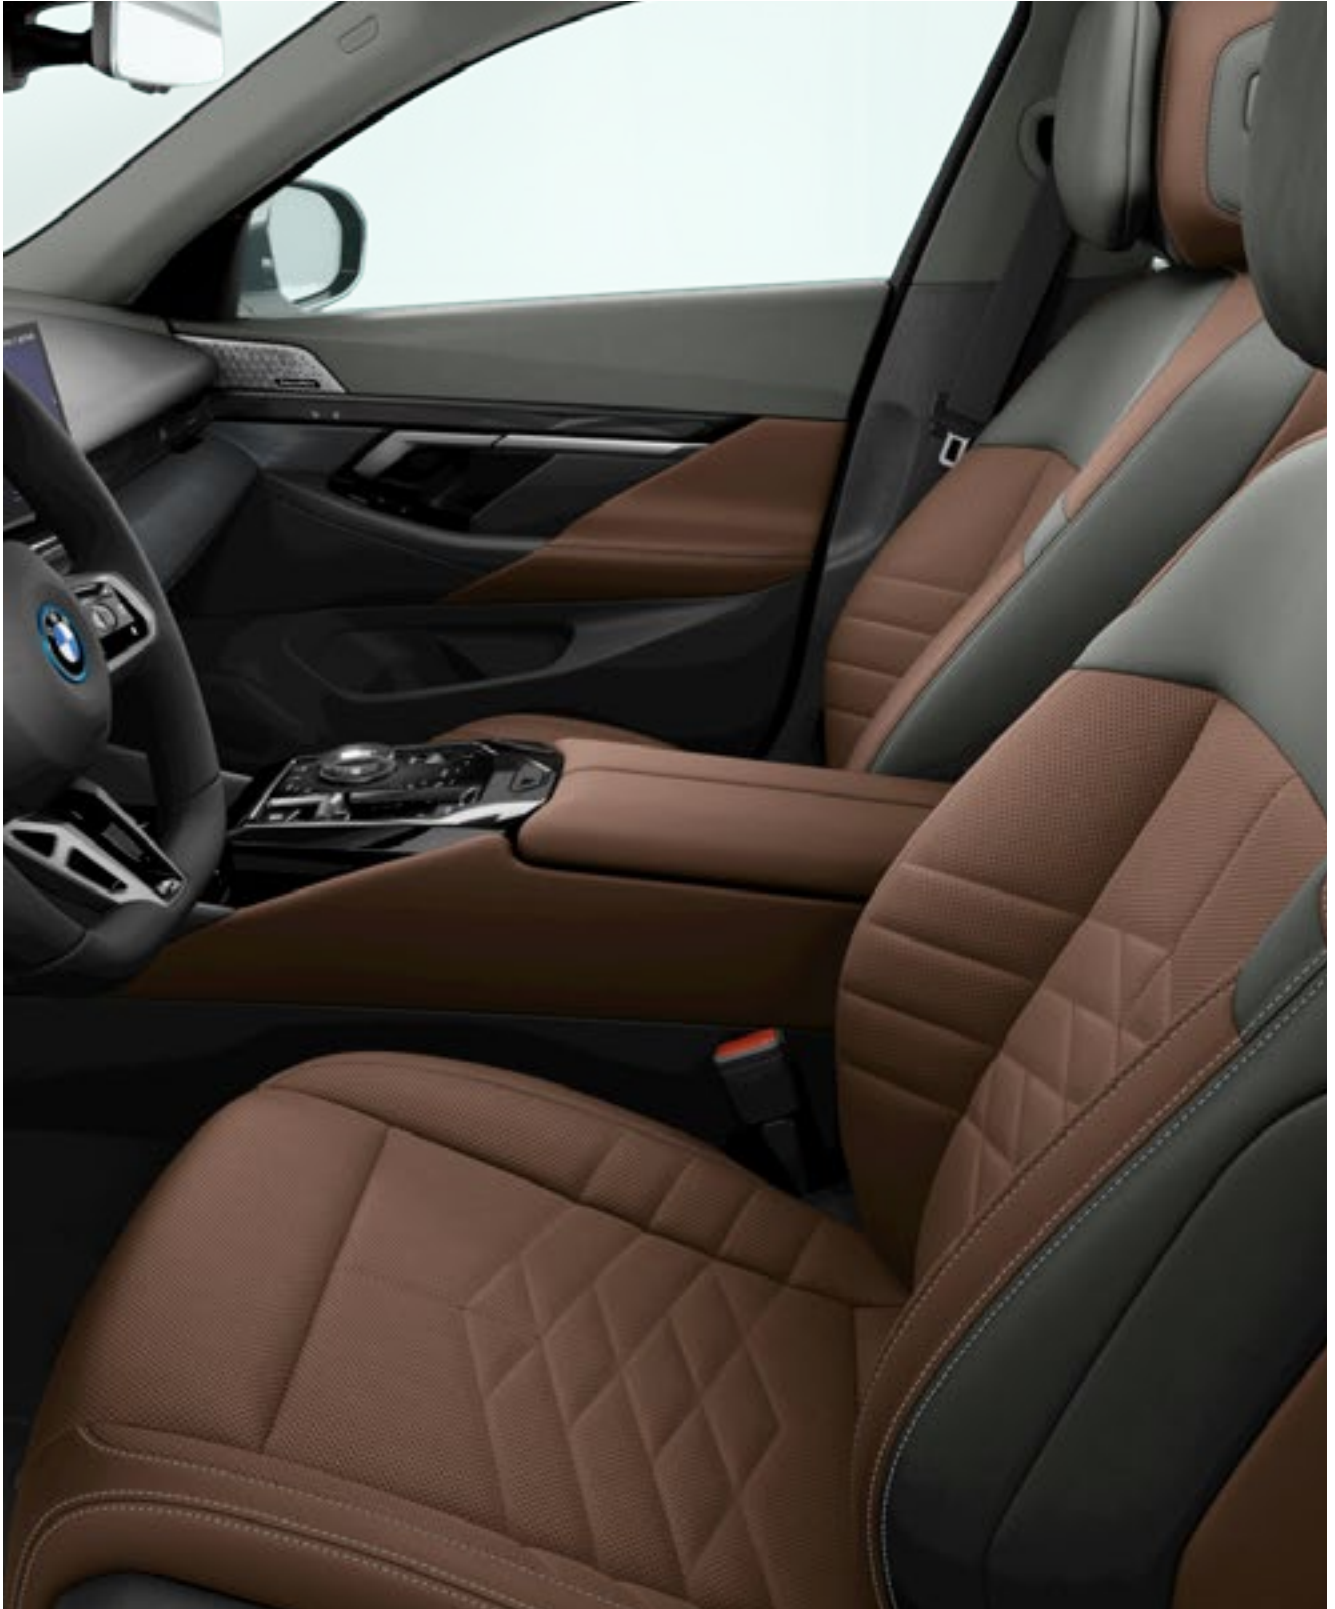

EXCEPTIONAL COMFORT ON THE REAR.

The rear cabin of the BMW i5 LWB is designed as a luxurious sanctuary, offering exceptional legroom, sculpted rear seats, an ergonomically optimized seating position, and an atmosphere of serene refinement. Every journey is elevated by thoughtful craftsmanship and unparalleled comfort, transforming every mile into a first-class experience.

COMFORT SEATS FOR FRONT PASSENGERS.

Experience exceptional comfort on every journey with ergonomically designed Comfort Seats upholstered in premium perforated vegan leather. The integrated Active Seat Ventilation system helps maintain an ideal seating climate by circulating air through the seat surfaces, ensuring enhanced comfort and freshness, particularly on longer drives and in warmer conditions. Together, they elevate every journey with a refined sense of luxury and well-being.

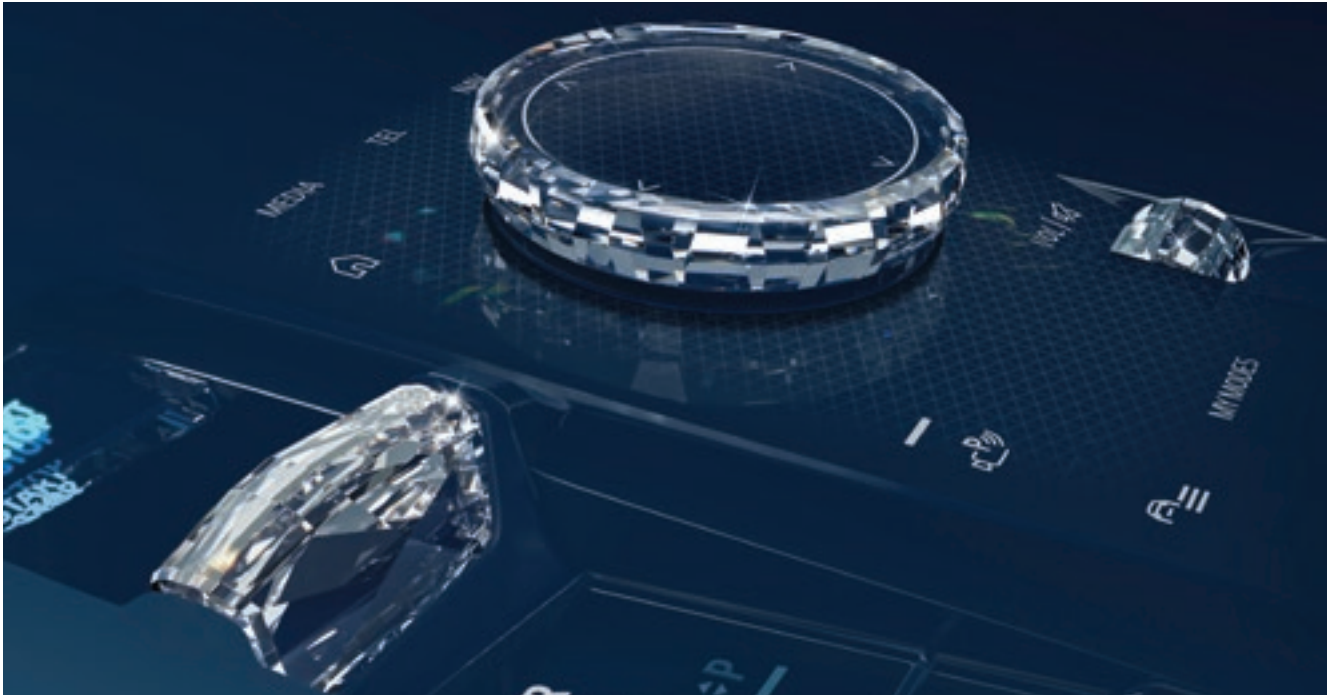

PANORAMA GLASS ROOF SKYLOUNGE.

The Sky Lounge Panorama Glass roof creates a generous sense of space. Thanks to LED-based light design, you can enjoy a captivating atmosphere.

'CRAFTEDCLARITY' GLASS APPLICATION.

Experience a smooth, luxurious feel with every operation, transforming your cockpit into a work of art with 'CraftedClarity' Glass Application.

AMBIENT LIGHTING AND BMW INTERACTION BAR.

The BMW Interaction Bar seamlessly blends functions with aesthetics, offering intuitive control of essential features. The ambient lighting creates a unique atmosphere in your BMW and can be individually adapted to your personal taste.

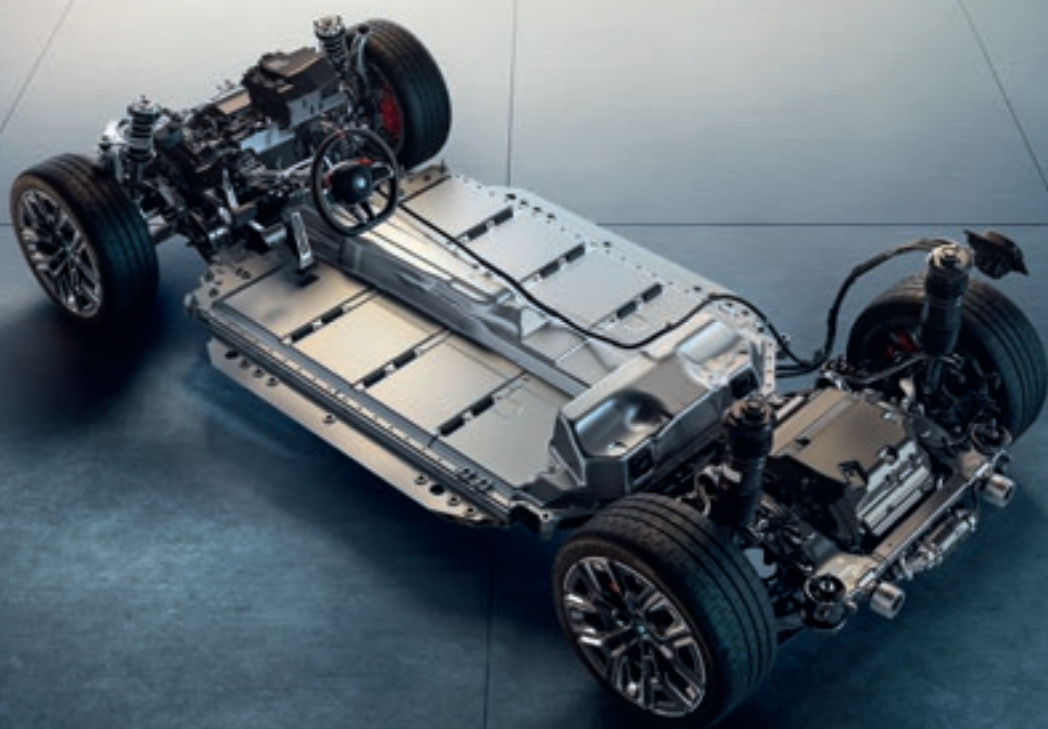

BOWERS & WILKINS SURROUND SOUND SYSTEM.

Immerse yourself in an enhanced audio experience with the Bowers & Wilkins Surround Sound System, featuring 17 speakers and 655 watts of pristine sound.

The speaker covers with metal finish add a touch of elegance while delivering acoustics as stunning as the design itself.

E-MOBILITY AND DRIVING DYNAMICS

**ELECTRIFYING PERFORMANCE.
EXCEPTIONAL REFINEMENT.**

Experience the power of instant torque, seamless acceleration, and serene refinement, redefining driving pleasure for the electric age.

MORE RANGE. MORE POSSIBILITIES.

With an impressive range of up to 669 km* on a single charge, the BMW i5 LWB redefines confidence in electric mobility. Engineered with BMW's advanced eDrive technology, it empowers you to travel farther, explore more, and embrace every journey with complete peace of mind.

Combined with intelligent energy management, refined aerodynamics, and a high-voltage battery seamlessly integrated into the vehicle architecture, the BMW i5 LWB delivers efficiency without compromise.

CHARGING CAPABILITY.

Seamless Charging, Wherever the Journey Takes You. The BMW i5 LWB supports 11 kW AC charging for convenient everyday charging and 160 kW DC fast charging, enabling the battery to charge from 10% to 80% in just 33 minutes. Adding to the convenience, a BMW Wallbox charger is included as standard, providing a dedicated, premium home charging solution that makes electric mobility effortless.

E-ROUTING.

Get seamless & efficient route planning on the My BMW App, with cloud-based navigation. Optimized charging stops based on traffic conditions and your battery's state of charge – ensuring you get to your destination in the fastest way possible.

REAR-AXLE AIR SUSPENSION.

Effortless Comfort, Engineered for Every Journey. The BMW i5 LWB features rear-axle air suspension that automatically maintains the optimal ride height, ensuring exceptional comfort and composure regardless of passenger or luggage load. Together with its specially tuned comfort suspension and balanced chassis, it delivers a remarkably smooth, refined, and confidence-inspiring ride on every road.

ADVANCED TECHNOLOGY

INNOVATION MEETS INTELLIGENCE.

The BMW i5 LWB combines intelligent technology, seamless connectivity, and advanced assistance systems to deliver a more intuitive, comfortable, and confident driving experience.

PARKING ASSISTANT PROFESSIONAL.

Parking Assistant Professional automatically parks and unparks your BMW. It learns and saves parking manoeuvres up to 200 meters after a single demonstration. You can then monitor the process remotely using your smartphone.

DRIVING ASSISTANT PLUS.

Safety and comfort, intelligently delivered with BMW Driving Assistant Plus. The advanced system combines innovative features like Active Cruise Control, Lane Keeping Assist and Blind Spot Monitoring to help guide you through congested roads and long highway drives. Enjoy a more relaxed and stress-free driving experience, knowing you've got an extra layer of safety and support on the road.

COMFORT ACCESS AND DIGITAL KEY PLUS.

Experience a new level of convenience with Comfort Access and BMW Digital Key Plus. The vehicle greets you by unlocking automatically as you approach, while your smartphone or smartwatch seamlessly replaces the traditional key. With the ability to share digital access with up to 18 users, luxury becomes effortlessly connected.

IMMERSIVE DIGITAL COCKPIT.

The BMW Curved Display seamlessly integrates the digital instrument cluster and Control Display into a single, elegant glass surface, placing information, entertainment, and vehicle controls effortlessly within view. Powered by BMW Operating System 8.5, it creates an intuitive and immersive driving experience where technology meets modern luxury.
